## Notes from the HOA

### Social Networking

Our community has a group on LinkedIn.com, a career-oriented social networking site. If you have never used LinkedIn before, it is basically a collection of profiles which build just like a professional resume. Upon adding your current and previous employers, your education history, and a summary of your skills to your profile, you will be able to search and connect with your friends, classmates, and coworkers. LinkedIn uses “three degrees of separation”, and as you build your network, the site will locate people that you may know by way of other direct connections.

The group feature allows you to group contacts based on a common interest, professional association, or geographic area. We have created one for people living at Laurel Oak Ranch to encourage networking and to allow entrepreneurs and independent businesses to identify themselves to the group.

In these tough economic times, LinkedIn can really help with locating employment or better employment by enabling communication with those that know you the best. The link to register with the site is simply <http://www.linkedin.com>. Under the groups tab, search for “Laurel Oak Ranch” to find us. After applying, please send the group moderator, Chris Kopchik, your address for approval.

**It is a new year for the neighborhood. Let's become "THE" neighborhood to live in**

## Recreation News

The Recreation Committee is working to make the 2010 Pool Season better than ever. We are doing some needed repair work to the pool and the court to provide a better experience for the members. For more information and copies of membership forms, please visit [www.laureloakranch.com](http://www.laureloakranch.com)

The pool will be having some new hours this year. Based on requests for parties during the week, we are looking at changing to an earlier closing time to accommodate these events.

Punch cards are available for \$125. This gives you, the member, 50 passes for guests. We will also be having our movie nights again as well as a few parties throughout the season. We are really looking forward to this year and want to invite everyone to come to the pool during the first 2 weekends of May to experience and join the pool if you have not done so already. The first 2 weekends (Saturdays and Sundays) will be community swims so everyone is invited.

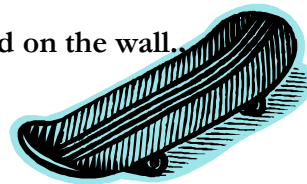

## Association News

Parents and Children, As the sun begins to break through the clouds we all want to be outside enjoying ourselves. Skateboarding is a great way to have fun whilst exercising at the same time. LOR does not want to discourage our community's children but we do expect that they respect the property within the neighborhood.

**DO NOT skateboard on any of the entrance signs., DO NOT skateboard on the wall.**

**DO NOT skateboard within the fenced in playground/picnic area.**

And be safe at all times!

As a reminder, in order to rent the clubhouse, join the pool or use the tennis court, your HOA dues need to be current.

## Laurel Oak Ladies

The Laurel Oak Ladies will meet on the 22nd of March, one week earlier than usual, to prepare the eggs for the hunt. This will be in place of our March 29th meeting. Please join us to help prepare for the hunt, and make final preparations. We will serve refreshments as always! We meet at the clubhouse at 7 p.m. Hop on over to help out!

## BUNKO!

Every 2nd Thursday of the month is Bunko Night at the Clubhouse!
