H3: Household with one adult and 2 or more children (under the age of 18 or still in school) or 2 adults and 1 or more children

A Tennis only membership is \$75. It is good for one year running from April 1st to March 31st.

The Early Bird Rate may be split into 2 payments. The first payment is due by **Feb 28th** with the second payment due by **March 31st**. The Regular Rate is due by **April 30th**. Any memberships after **May 1st** will be at the Summer Kick-Off pricing

Anyone older than 65 is eligible for a 10% discount. For the H2 and H3 memberships an additional fee (\$100) will be applied for any adults (over age of 18) that exceed the household limit. For example an H2 with 1 adult, 1 child, and adult roommate will be charged \$375 for the early bird rate or \$400 for the regular rate.

A babysitter may be added with the H2 & H3 memberships. The actual word "babysitter" must be used instead of a person's name. The definition of a babysitter is someone who assists in watching and taking care of children. The babysitter will be allowed to come to the pool with the children in place of the parent(s). The babysitter will also be allowed to come to the pool with the parents and children, but not by themselves.

\$5 will be charged to all guests (out of state guests are still free). 5 guest passes will be given out and can be used for residents inside and outside the neighborhood. The only way a resident of the neighborhood can swim is if they are a member, come with a member using a guest pass or swim on Community swim days.

A 50 punch pass is available for \$125. This pass can be used for your non-resident guests. One punch per guest per day.

Our Community Swim Dates are changing this year. Since the Community Swim Days have not been scheduled, please look for the Community Swim sign for these open days

A pool/tennis member must be in good standing with HOA Dues or have restrictions placed on use of the pool and tennis courts.
